Attention: Sales Engineer

Gentlemen:

Reference is made to Contract No. FL-3011, dated 27 March 1956 between your Corporation and the United States Government, in the estimated amount of \$1,269,503.

Please be advised that it is the intent of the United States Government to amend Contract No. FL-3011 prior to 30 June 1956, to include procurement of additional equipment and spare parts conforming to your proposals of 6 June 1956. This additional procurement under the contract will increase the estimated contract price by \$1,847,142, from \$1,269,503 to \$3,116,645, subject to the Price Redetermination provision of the contract.

Amendment No. 3 to Contract No. FL-3011 will be issued within the Government's current fiscal year to formally incorporate this procurement into the contract.

Very truly yours,

25X1

Contracting Officer
